

# LOUNGE

Imagine a place at your office where you could feel at home.

Where you can relax, drown in your own thoughts or indulgin conversation with your colleagues while drinking a cup of coffee.

Lounge zone is an investment in employees.

While creating the chill out zone our aim was to take care of the design, comfort and colors which allow you to relax. So we combined a black back of the sofa with white seats and green, purple and orange pillows.

We want to create the Lounge with you.

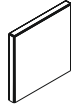

The module system allow you to customize the Lounge zone to your own needs.
